

Peace of the earth
With Jane Patel and Annie Jones

Let there be peace on the earth
Let there be peace in the heart and mind
Of every living thing, let there be
Peace on the earth

Peace in the mountains and the sea
Peace in the valleys and the trees
Peace in the birds that fly in the air
Peace in the creatures everywhere
Let there be peace on the earth

Let this peace blossom and grow
Like a river let it flow
Let this peace blossom and grow
In our hearts let it flow
Let this peace blossom and grow
In our minds let it flow

Let there be peace on the earth
